Did You Know?

“For we are God’s workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.”
Ephesians 2:10

Do you realize that if you are a brother or sister in the Lord, it is all because God drew you to Himself? God has done all the work. This is a cool realization, God loves us so much that He did the work and there is nothing that we can do to earn or lose our salvation.

Looking at verse 10 of today’s scripture though, we can’t help but see that we have been created for good works. We were predestined by the Lord to do good works. If you have a proper understanding though of what this means, you quickly realize that God is the one doing the works through you – so that no one can boast.

That begs the question, are you allowing God to use you? All who are His were created in Christ Jesus to do good works, works that He prepared in advance for us, works that He predestined us to do. So are you allowing Him to use you?
