Questions to consider surrounding the text

Read Romans 1:21-23

1. Read Romans 1:18-32. How, according to Paul in verses 18-23, can all humankind know about God?
2. Just as tree rot spreads throughout the roots and insides of a tree in a progression of destruction, Paul depicts the same process in the hearts of humankind. What is the progression of ungodliness and injustice that is seen in verses 18-23?
3. Where do you see people in the world today claiming to be wise when, in fact, they may be foolish?
4. Pauli is talking about humans who reject the knowledge and worship of God. what does he say always happens to people who do this, verses 22-25?
