Concerning God's people and how we should treat them:

"How dare we reject a person whom God has accepted? Indeed, the best way to determine what our attitude to other people should be is to determine what God's attitude to us. This principle is better even than the golden rule (to treat others as we would treat ourselves). It is safe to treat others as we would like them to treat us, but it is safer still to treat them as God does."

- John Stott: The Message of Romans (pg. 361).
