It's Not About Your Marriage!

At the end of Ephesians chapter 5 where Paul's writing about marriage, we discover that Paul's deeper focus is not upon our marital happiness at all! He says: "I am talking about Christ and the church" (Ephesians 5:32). The "profound mystery" here is not marriage itself. It is the "mystery" (Meaning "revealed secret") of the gospel, which Paul clarified earlier in the letter: namely, that people of every background are being reconciled to God and each other through the death of Christ, to manifest God's triumphant wisdom over destructive evil powers, in the spiritual realms in His church.

So, the "one flesh" union of a Christian marriage under Christ, between two people who may be incredibly different from each other, is a powerful demonstration in the spiritual realms of the wisdom of God's eternal plan to unite everything under Christ! The power of the gospel to motivate a Christian wife to submissively support her husband, and to motivate a Christian husband to sacrificially love his wife, despite their sins and their differences, provides a powerful witness in our earthly churches of the victory of God over destructive evil powers. To put it simply, if God can keep Christians together in marriage, it's obvious that his eternal plan is working!
