Kingdom of Heaven or Kingdom of this world

The reality that there are two kingdoms is so foreign to us. Yet, Jesus lets us know that we are either in His kingdom or we are part of the Kingdom of Satan. This is one of the hard truths of Jesus and because it's so hard often we don't think about this reality. Sadly, because we don't think about this reality we assume that our family and friends are ok and that they don't really need the Lord. So many think that because they love their family that the Lord must as well.

The problem is that we are all sinners who will stand before the Lord one day and we will all have to give an account. The whole point of the Father sending His Son into the world was so that those of this world could find life in Him. Yet, if those of this world – your family and friends – don't find life in Him, what will be their excuse on the day of judgement? Will they find themselves eternally condemned because they didn't turn and follow Jesus? The answer to that question is yes. This is why it is important to pray to the Lord of the harvest particularly about your family and friends. Lift them up to the Lord by name. Begging the Lord to open their eyes and soften their hearts. And in that, go to them and point them to Jesus. Shine His grace and mercy upon them. We know we can't nag them into the kingdom of heaven, but we can pray for them.
