What does it mean to be a Christian?

Sproul pens:

“If you are not reborn by the power of the Holy Spirit, you are not truly a Christian, and if you are reborn by the power of the Holy Spirit, you are a Christian. We talk about rebirth in terms of the doctrine of regeneration, which refers to a genesis or a new beginning. We know that rebirth is necessary, because the Scriptures tell us that, by nature, we are dead in our sin. This description of our condition is not biological but spiritual. We are born in this world DOA, dead on arrival. We may be alive biologically, but we are dead spiritually. We have within us a heart of stone, to use a biblical metaphor. It has no pulse, no flesh of life. It is calcified. Therefore, in our fallen condition we have no inclination or desire for the things of God. That is why Jesus said to Nicodemus, “Unless one is born of water and the Spirit, he cannot enter the kingdom of God. That which is born of the flesh is flesh, and that which is born of the Spirit is spirit” (John 3:5).”

Scripture of the Month: 1st Peter 2: 2-3

Not God's plan for my life
But my life for God's plan
Not God's vision for our church
But our church for God's Vision
